

Riverdale Traffic Details

Bus Lane

- The bus lane is reserved for buses, day care buses, teachers, and handicap parking only.
- Please do not enter this drive during any part of the school day.

Car Line Pick Up/Drop Off Lane

- This lane will be utilized when dropping students off in the morning and picking students up in the afternoon.
- This lane will be closed during the school day.
- During arrival and departure times, this lane will be accessible by making a right turn only off of Miller Farms Rd. You will only be able to make a right turn onto Miller Farms when exiting.
- DO NOT drop students off or park on Miller Farms. You may NOT utilize the coves on the east side of Miller Farms for drop off or pick up.

Visitor Parking

- Visitor parking is available in the parking lot closest to Miller Farms.
- Please utilize this lot when visiting the school or when checking students in or out of school.

Walkers

- During morning arrival, there will only be two entry points into the building. These entry points will be the front entrance of the new building and the northeast entrance of the kindergarten building.
- Crossing guards will be stationed near the bus lane and the exit to the car lane.
- Walkers arriving from the north will enter at the northeast entrance of the kindergarten building.
- Walkers arriving from the south will enter the front entrance of the new building.

Bike Riders

- Bike racks are temporarily located behind the school near the outdoor garden. This location will change once all construction is completed.
